**THE HOSPIFUND POLICY  
CATERS TO THE NEEDS OF  
THOSE WHO ARE EXPOSED  
TO THE RISK OF  
HOSPITALIZATION**

*Hospitalization of any kind is unfortunate and can lead to a sudden financial burden. In many cases, the insured may be totally unprepared to provide for their medical needs. Even for those who have a health indemnity policy; incidental expenses like food, travel and other inadmissible expenses are inevitable.*

*Hospifund is a product designed to provide a daily fixed benefit in the event of hospitalization, irrespective of the actual amount incurred on the medical bills.*
